Appendix 2 – COVID-19 Student Symptom Log

The Licking County Health Department (LCHD) strongly recommends that all parents check their children for possible symptoms of COVID-19 prior to sending them to school each day. This includes taking their temperature and evaluating them for other symptoms consistent with COVID-19, such as a dry cough, shortness of breath, a loss of taste and smell, and muscle or body aches. Below is a log that will assist parents with looking for symptoms of the virus and determining if their child should attend school.

COVID-19 STUDENT SYMPTOM LOG									
DATE	COUGH	SHORTNESS OF BREATH	FATIGUE	BODY ACHES	HEADACHES	LOSS OF TASTE	LOSS OF SMELL	SORE THROAT	TEMPERATURE

STUDENT NAME: _____
